Building upon existing theory and research,

Projections are based on the assumption that there are no changes in the number of people aged 65 and over.

You can read [guidance for landlords](#) or [for residents](#), and everywhere else from an [asthma doctor](#), [public health nurse](#), [community health officer](#), [neighborhood center](#).

Energy rating and score

The property's energy rating is **C**. It has the potential to be **B**.

The graph shows the property's current and potential energy rating.

Properties get a rating from A (best) to G (worst) and a score. The better the rating and score, the lower your energy bills are likely to be.
